Re: Court of Appeals Number: 02-25-00166-CV

Trial Court Case Number: 322-744263-23

Subject: Related case notice and trial court actions

Dear Ms. Hodges,

This letter is filed pursuant to rule 9.6 of the Texas Rules of Appellate Procedure.

The undersigned acknowledges the recent involvement of the Texas Attorney General's office and reiterates that the instant matter has two additional mandamus proceedings involving the same parties. (02-25-00164-CV, 02-25-00171-CV).

Furthermore, the trial court below (322nd) continues to risk further procedural errors by moving to set court proceedings outside the bounds of the Texas Rules of Civil Procedure through informal email notifications.

This letter serves as formal notice of concern that the trial court's recent actions risk further procedural error and may necessitate additional appellate or emergency relief. This letter is submitted to apprise the Court of these developments and preserve the record should further filings become necessary.

An objection has been duly filed in the trial court and served on all parties of record.

Respectfully submitted,

/s/ Charles Dustin Myers
