Affidavit

THE STATE OF Texas

COUNTY OF Dallas

(Country where statement is being notarized:

The person who signed this affidavit, appeared in person, before me, the undersigned notary, and stated under oath:

Christian Michael Vroom

My name is _____ Christian Wimberly

I am of sound mind and capable of making this statement. I have personal knowledge of the facts written in this statement. I understand that if I lie in this statement, I may be held criminally responsible. This statement is true and correct.

I'm signing this affidavit to attest to the work ethic and dedication of Charles Myers. I've come to rely on the services he provides in order to gather the required data to make educated decisions on what and when to enter/exit options positions. Recently due to him not being at his normal location of operations the services have had multiple down times in which Charles was not in a position to be able to remedy. Some of these down times have led to significant losses due to making decisions without the necessary data after already being entered in a position.

Charles' work ethic is unlike anything I've seen in anyone I've ever met and he does everything for the future of his family. I'm constantly amazed at the feats he is able to pull off as a one man show. Some things he is able to create I didn't think were possible but he figures it out through his endless research and personal development efforts.
Again, everything I've seen him do, he does to give his girls the best life he can and wants the world for them. I've seen videos of him with his children out at many different parks/recreational areas and I can tell that they love their father to death and that he would die for them.
I hope his situation is resolved for not only my benefit but for the sakes of his children and the life he is trying to provide them with. Charles Myers is both a good person and amazing father and I would hate to see him and his daughters robbed of the life he is building that they need and deserve.

Signed this 10th day of March, 2024.
